OFFICIAL NEWSLETTER OF LAKE DEATON UNITED METHODIST CHURCH

PASTOR'S CORNER

Hello Lake Deaton Family!

One of the joys of this summer has been watching our family grow together. Nina is now four months old and has become quite the smiley baby. She has discovered that smiles are contagious—and she's right! Luna has had a summer full of adventures, including her first week at Warren Willis Day Camp, and she came home with stories, songs, and enough enthusiasm to keep all of us smiling. We also enjoyed a road trip to Miami to spend time with dear friends. Traveling with a four-month-old and a nine-year-old certainly has its moments, but it reminded us that some of life's greatest blessings aren't found at the destination—they're experienced along the journey. (Coffee also becomes one of God's greatest gifts!)

That idea has been on my mind as we've journeyed through our Summer Road Trip sermon series. Life rarely follows the route we planned. Sometimes we face wrong turns, unexpected detours, or seasons when we're running on empty. Other times, we discover unexpected beauty that we would have missed if we had stayed home. Throughout this series we've been reminded that, wherever the road leads, God is faithful. At Lake Deaton we often talk about finishing faithful, and every step of the journey is another opportunity to trust Christ a little more. If you've been traveling this summer or have missed a week or two, I'd love to invite you back as we continue the journey together.

As August begins, many families are preparing for another important journey—the start of a new school year. Thank you to everyone who donated school supplies to support Pastor Kristyne's school in Georgia. Your generosity will bless students, teachers, and families in meaningful ways. Please join us during

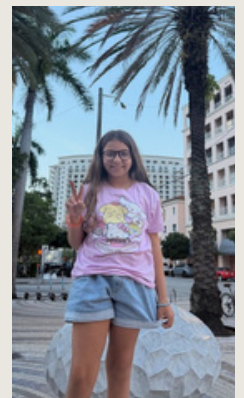

"Life rarely follows the route we planned... Other times, we discover unexpected beauty that we would have missed if we had stayed home."

Back-to-School Weekend (August 8 & 9) as we pray for students, teachers, administrators, school staff, and parents. I also hope you'll consider joining me for a new **Wired Word discussion group beginning Saturday, August 15, at 3:15 p.m. in Classroom 5/6.** Designed especially for those who worship on Saturday evenings or attend the Traditional Service on Sunday morning, we'll gather for one hour each week to explore a current news story alongside Scripture, asking what God's Word has to say about the issues shaping our world today. My hope is that you'll leave encouraged, challenged, and better equipped to follow Jesus in every-day life.

Grace and peace,
Pastor Lucas

Help Protect Our Church Community

Dear Church Family,

We want to take a moment to make you aware of an important safety reminder regarding recent spam emails and text messages that may appear to come from our pastors or church leaders. Please know this clearly: our pastors and staff will never ask you for gift cards, money transfers, or sensitive personal information (such as passwords or financial details) through email or text messages. Scammers often try to impersonate trusted leaders, using urgent or emotional requests to catch people off guard. If you receive a message that seems unusual, urgent, or requests any form of payment or personal information, please do not respond.

Instead, we encourage you to:

- Verify the message by contacting the church office directly
- Check the sender's email address or phone number carefully
- Report suspicious messages to the church staff

Your safety and trust are very important to us. When in doubt, always reach out—we are here to help. Thank you for staying alert and helping protect our church community.

Volunteers Needed: Coffee & Cookie Bar

Don't you love to walk into the church building to worship and spend some time with your friends while having some coffee and cookies? We need your help! We are recruiting additional volunteers to continue our culture of radical hospitality. Our Coffee & Cookie Bar is a welcoming space where many gather for fellowship each weekend—but we are currently in need of additional volunteers. With your help, we can continue offering this simple but meaningful hospitality to our church family and guests. If you're available to serve, even occasionally, we would love to have you join the team! It's a fun and easy way to connect with others while making a big impact. To volunteer or learn more, please contact the church office or sign up at the Connect Desk. Thank you for helping us keep this special ministry going strong!

Coleman Oaks Thrift Store & Coffee Shop Needs You

Looking for a meaningful way to serve? Come be part of the team at the Coleman Oaks Thrift Store & Coffee Shop! We are currently in need of volunteers, and every bit of time makes a difference. Whether you can serve occasionally or on a regular basis, we would love to have you join us. Stop by the store Tuesday through Saturday, from 10:00 AM to 4:00 PM, to learn about the areas where service is needed or to get started. Thank you for helping us continue this wonderful ministry in our community!

FROM THE EVENT COORDINATOR

Hope you're enjoying the blessings of the season...

Although we are all enjoying summer in different ways—whether you're vacationing on a faraway island, relaxing by the pool, or simply curled up at home with a good book by your favorite author—I hope you're finding time to rest, recharge, and enjoy the blessings of the season. We also hope you're getting plenty of rest because an exciting fall season is just around the corner, and we have lots of wonderful activities planned!

- **Our Fall Fest BBQ will kick off this year's events on Friday, September 25.** Join us for free pulled pork BBQ, great music with a DJ, line dancing, corn hole, and hayrides—which were a huge hit last year! Invite your friends, neighbors, and family, and come enjoy an evening of food, fun, and fellowship. We can't wait to celebrate with you!
- Mark your calendars for our **Craft Fair on Saturday, November 7!** It's the perfect opportunity to get a head start on your holiday shopping while supporting talented local crafters. You'll find a wonderful variety of handcrafted items, including origami, purses, soaps, samba mats, crocheted and knitted creations, diamond art, fused glass, beautifully prepared gift baskets, and much more. There's truly something for everyone! While you're shopping, be sure to enjoy some delicious homemade food. We'll be serving our famous homemade chili, brats, popcorn, baked goods, and our Sobre Mesa Café seating area will be available for anyone who would like to sit and enjoy their meal in the midst of the festivities. The children won't be left out! They'll have fun making crafts, and Santa will be stopping by to greet families and give rides, making it a memorable day for our youngest visitors. Bring your friends, neighbors, and family for a fun-filled day of shopping, delicious food, and holiday cheer. We look forward to seeing you there!

This is just the beginning! Be sure to watch for the next issue of "Lake Deaton Happenings!", where we'll share more exciting events and activities planned for the season. Don't miss what's coming next!

A SPECIAL THANK YOU

A huge thank you to Kathy Smick for creating the most beautiful gift baskets using items from our thrift store. What an amazing act of generosity and creativity!

There are about 20 large gift baskets, each one thoughtfully put together and filled with wonderful items. Your time, effort, and heart for this ministry truly shine through in every basket.

Because of you, we are able to bless others in such a meaningful and impactful way. We are so grateful for your dedication and servant's heart—thank you for making a difference!

WHEN GOD SPEAKS THROUGH HANDS:

The Angie Liston Story

Hello, my name is Angie Liston and this is my story of how I became an Interpreter for the Deaf...

I am a fifth-generation Floridian, married to a third-generation Floridian for 51 years. My husband and I both grew up in Leesburg, and we are blessed with two children and two grandchildren.

About 35 years ago, I began learning American Sign Language. What started as a simple interest, when my daughter wanted to learn a few basics during a short class offered at our church, quickly became something much more meaningful for me. While her interest faded (as it often does for a 12-year-old), mine only grew stronger. I continued taking classes at a co-worker's church and pursued every opportunity to learn more.

Eventually, I began traveling regularly to the Florida School for the Deaf and Blind in St. Augustine for Saturday workshops. Those trips were not always easy, storms and heavy fog seemed to accompany nearly every journey. Around that time, I was also invited to join a small group led by Jean and Tom Powell, along with a retired pastor, W.L. Joyner, and his wife, for continued sign language study. One evening, after yet another difficult drive, I joked that perhaps God was trying to tell me to give it up. Pastor Joyner gently replied, "No... maybe someone else is trying to prevent you from doing this." That moment stayed with me. I made a firm decision not to let the weather, or anything else, discourage me. Interestingly, after that, the weather was never an issue again!

Line dancing continues in August with some summer fun dancing those ever-popular dances done at weddings, cruises and on the squares like the Electric Slide, Cupid Shuffle, Cha-Cha Slide, and Boot Scootin Boogie.

New dancers are always welcome, and no prior line dance experience is needed.

We meet every **Thursday from 1:30pm to 2:30 pm in air conditioned comfort in the CLC.** There is no fee. Just wear shoes that will stay on your feet (no flip-flops) and sign-in when you arrive.

Questions? Contact Karen Maurey at karenmaurey@gmail.com

The Angie Liston Story (Continued)

With the encouragement and support of my mentor, Jean, I began interpreting music at church and continued developing my skills. During a Bible study on spiritual gifts, we took a test to help identify our gifts. I was surprised to discover that mine was "interpretation of tongues," affirming the path God had been guiding me along.

My journey eventually led me to Lake Deaton. When Pastor Jim was searching for an interpreter for the Deaf, my pastor recommended me. Since I already interpret on Sundays at my home church, I was happy to offer my services on Saturdays at Lake Deaton.

So, you see, I never really chose to do this, I feel like it chose me and I was led into it, but it has blessed my life so much! I've had so many wonderful experiences—trips and conferences I've been able to attend. All my best friends, whether they are deaf or interpreters, I've met through this amazing journey.

If you know someone who could benefit from this ministry, I warmly invite you to join us for worship on Saturdays at 5:00 PM.

This upcoming MINI-MINISTRY FAIR will showcase the Discipleship, Administration/ Church Support/Worship & Greeters Ministries before and after services on Saturday, August 22nd and Sunday, August 23rd.

If you are looking for a place to plug in and connect with other Lake Deaton folks, you'll want to attend the Fair to learn more about these ministries and the variety of ways to serve. This is a great way to learn more about Lake Deaton, get better acquainted with your Lake Deaton family and also to find a really "great fit" for your considerable talents and gifts.

If you are a Ministry Team Leader looking for volunteers or wanting to build more awareness of your specific Ministry, this is an ideal opportunity for you as well!

Either way, the Lake Deaton Mini-Ministry Fair is sure to be a great way to meet new folks, learn more about what's happening in our church family, and plug into some new and exciting ways to serve, building new relationships and connections in the process.

So, mark your calendars for **August 22 and August 23**, and please plan to attend this upcoming Mini-Ministry Fair. See you there!

ERT SPECIAL PROJECT: BEING THE HANDS AND HEART OF JESUS

While hurricane season may be months away, Lake Deaton's Early Response Team (ERT) has been hard at work serving a local family through a very special project. Traditionally, our ERT ministry responds to natural disasters—helping families recover from hurricanes, flooding, and storm damage. Last fall, however, the team began a different kind of mission: assisting a single mother and her four children with a comprehensive renovation of their home.

What began as a need for repairs quickly became a major rebuilding effort. Over the past several months, team members have invested countless hours completing structural repairs, electrical and plumbing work, flooring installation, interior reconstruction, and roofing improvements. The project has also provided valuable hands-on training for several new members of our ERT ministry.

More importantly, this effort has allowed us to live out Christ's call to serve others. Our goal has been far greater than repairing a house—we have sought to be the hands and heart of Jesus by helping create a safe, secure, and comfortable home for a family in need.

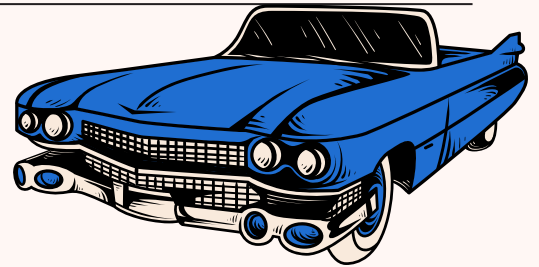

As the interior work nears completion, the team is now focusing on finishing the exterior improvements. We are grateful that the project is expected to be completed soon, allowing our volunteers to be ready to respond when hurricane season arrives.

YOU CAN STILL HELP!

The generosity of our congregation has always made our disaster response ministry possible. While we have received significant support for this special project, the scope of the renovation has created expenses beyond our original estimates.

If you would like to help complete this ministry, contributions may be made to Lake Deaton UMC. Please designate your gift "ERT Special Project." Thank you for helping us share Christ's love in practical ways and for supporting the ministry of the Early Response Team. Please keep the ERTeam in your prayers as we finish this mission and prepare for the upcoming storm season. If you have any questions, contact **Jim Hull** or **Jonathan Baker**.

THE POWER OF CHOICE

For more than 100 years, Residing Hope has been a place where children in difficult circumstances can find safety, stability, and a fresh start. What began as a small, faith-based mission has grown into a trusted ministry committed to caring for children and helping them build brighter futures.

At its heart, Residing Hope has always focused on more than meeting basic needs. Their mission is to create a nurturing environment where children can heal, grow, and discover their God-given potential. Through residential care, education, counseling, and spiritual support, lives are being transformed every day. One of the most meaningful ways this transformation takes place is through the Children's Rewards Store. The Rewards Store is a simple yet powerful program that encourages children to grow in positive ways. As they make good choices—whether it's completing schoolwork, showing kindness, reaching personal goals, or developing important life skills—they earn points along the way. Those points can then be used to "shop" in the Rewards Store. Inside the store are items like toys, games, clothing, and personal essentials. But it's about so much more than the items themselves. For many children, this is an opportunity to experience the joy of choosing something for themselves—something they've worked hard to earn. It builds confidence, reinforces positive behavior, and helps them understand the value of effort and responsibility. The program also teaches lifelong skills like goal-setting, decision-making, and delayed gratification—tools that will serve them well far beyond their time at Residing Hope.

As a church family, Lake Deaton UMC is blessed to come alongside this incredible ministry. Through your generosity you are helping make moments like these possible. This whole month of August, Lake Deaton UMC will be collecting unwrapped gifts/toys for children and teens, ages 7 - 17, through our **"Christmas in August!"** ministry (see next page for sample gifts/donations.) Items can be dropped off at the Connect Desk, during office hours, and before or after church services.

Click [HERE](https://www.lakedeatonumc.com/ChristmasInAugust) for more information and to watch a video of Julie's Story, or visit our website at: www.lakedeatonumc.com/ChristmasInAugust

Every gift given to the Rewards Store becomes part of a bigger story... a story of encouragement, growth, and hope.

Thank you for being a church that continues to share Christ's love in such meaningful ways.

FROM THE DIRECTOR OF CONGREGATIONAL CARE:

It has been a year now that I have had the honor being asked to serve as your Director of Congregational Care. During this time we have been able to extend the wonderful culture of care even further as the church continues to grow. In January, Lake Deaton UMC held a very successful Caring Congregation training session where 49 congregants participated, allowing us to expand the number of our congregation who were committed to care for all of you! It was humbling and inspiring to see how the Holy Spirit was working in the church.

I wanted to take this opportunity to thank each of these individuals for the time, talent and enthusiasm they share each and every day with those in need of care! I wanted to give a particular thank you to

Janice Braden, Lake Deaton Office Manager, who has a beautiful heart for care, and serves to ensure we have all the names of those desiring prayer and visits. I also send, a huge thank you to Pastor Loida, who has served as our visitation pastor for these last six months. God bless you and keep you as you start this next chapter.

Finally, a request: We need more of you to volunteer for Care! With such a very large congregation at Lake Deaton UMC, we find that, especially during the summer season, we need more of you! Our largest need at this time is for men to volunteer in this ministry. At the present time we have one man serving as a Congregational Care Minister. With all the men of faith in this church, maybe you are being called, but not asked...so here is the ask. Please contact me at sperry@lakedeatonumc.com or contact the church office for more information. It is a critical ministry of the church that takes less than 3 hours a week and means the world to your fellow members and their families.

Thank you all again! And to our seasonal care warriors....we pray for your safe summer and look forward to your return!

Susan

PRAYER QUILT MINISTRY

Dedicated women of the Quilt Ministry create these beautiful and meaningful quilts. As the quilt is created, special extra threads are used to take stitches through the quilt layers. These extra threads are left free to be tied in a knot as a silent prayer is being offered for someone with special needs. These quilts are a statement of faith, a testimony to our belief in God and in the power of prayer.
